

**Consulate General of Pakistan
Toronto**

Press Release

Consul General Mr. Imran Ahmed Siddiqui addressed Annual Meeting of NED University of Engineering and Technology Alumni on 2 December 2016. The Consul General congratulated NED Alumni for their efforts to keep the community together, promote awareness of Pakistan's heritage in Canada and organize professional training programmes for new immigrants.

2. The Consul General underscored important role of the NED Alumni in creating linkages between Pakistan's engineering institutions and their Canadian counterparts, as well as negotiating soft terms for Pakistani students who wish to study in Canada. The Consul General hoped that Pakistan's engineering institutions would continue supporting national efforts to promote Pakistan as the most important research and innovation center in South Asia.

3. The Consul General also briefed the Alumni about the services being provided by the Consulate General of Pakistan, Toronto. He touched upon various initiatives taken by the Mission to facilitate the community as well project Pakistan's culture of accommodation, tolerance and non-discrimination.
